

13 April 2015

Dear Heads

SKEELES 7S RUGBY FESTIVAL

Welcome back to the second term. I trust it has started well for you and the school. As usual it is off to a flying start and we are looking forward to hosting your boys at the Skeeles 7s on Friday. I hope that you will join us at the event; drinks and snacks will be served and it promises to be a very happy afternoon.

One of the difficulties with a large scale event at Lutgensvale is that it is situated in a very built up residential area with no specific parking facilities and narrow roads. We do try very hard to keep up a good relationship with our neighbours who are often very adversely affected by this situation. Could I please ask you therefore to communicate the following to your parents in some form or another before the event:

Lutgensvale Parking at Bishops

- No parking will be available in the two roads immediately adjacent to the fields (Riverton and Birkett).
- Parking will be available on the Bishops College grounds and the bottom gate (Riverton Road) will be open for the duration of the afternoon and into the evening until after the event. Other parking is available in the roads between the Lutgensvale fields and Sandown Road. There is more than sufficient parking in both of these areas to accommodate all our parents and visitors.
- Please assist us in considering our neighbours by not parking on the pavements or verges and not blocking their driveways in any way.
- There is no parking at Lutgensvale itself.

We appreciate your support and look forward to welcoming you at the Skeeles 7s Rugby Festival.

Thank you for your assistance and best wishes for a good term.

Yours sincerely

GREG BROWN
HEADMASTER
